MEET VINNY, OUR NEW COMMUNITY DIRECTOR

What brought you to Venture X? I originally found Venture X when I moved to the Lehigh Valley in 2021. Working remotely [in tech] I found that I thrive in an office setting. At the same time, I was desperately trying to make friends in a new city. Venture X quickly helped me to find a community both professionally and socially in a new environment!

Where's home for you? I am originally from New Jersey, specifically the Asbury Park area; specifically *specifically* a town called Neptune. Not many can say that they had a beach for a backyard!

What is your favorite spot in the Lehigh Valley?

Food: Vineyard Di Norma (Fountain Hill)

Drinks: Hotel Bethlehem (Bethlehem)

Shopping: Weil's Antiques (Allentown)

Dancing: Vogue (Allentown)

Nostalgia: Country Junction (Lehighton)
