

Private Offices

Fully furnished, lockable offices designed for individuals or teams who want a secure, quiet, and productive environment with access to all coworking amenities.

- Move-in ready with flexible terms, avoiding traditional lease hassles
- Includes access to coworking lounges, meeting rooms, and on-site amenities
- Lockable and secure for privacy and peace of mind
- Ideal for professionals and teams needing focus and professionalism

Dedicated Desks

A reserved workspace within the shared open area, perfect for professionals who want the consistency of a personal desk with the energy and networking benefits of coworking.

- Comes with a storage option for equipment and documents
- Offers the reliability of a permanent spot plus the buzz of community
- Encourages collaboration and networking in a professional setting

Community Membership

Discover a range of flexible memberships designed for professionals who want access to inspiring shared workspaces, without the long-term commitment of a dedicated office.

- Access to open coworking areas at participating locations
- High-speed internet and kitchen amenities included
- Ideal for entrepreneurs, freelancers, and remote professionals
- Daily opportunities to connect and collaborate with a diverse community

Global Community Membership

Work from anywhere with your all-access pass to coworking spaces across the U.S. and beyond.

- Nationwide access to open coworking areas at all participating Venture X locations
- High-speed Wi-Fi, premium coffee, and comfortable workstations wherever you land
Networking opportunities with a diverse professional community
- Access to member events and exclusive offers across the Venture X network

Event Space

Stylish, modern spaces available to host business or social events, providing a professional setting with on-site support and amenities.

- Flexible layouts for workshops, networking events, or celebrations
- Equipped with AV technology for seamless presentations
- Professional staff available for support during your event
- Creates an impressive backdrop for clients, teams, or guests

Day Pass – Coworking

A simple, one-day access to our coworking community—perfect for traveling professionals or those who want to try the space before committing.

- Includes Wi-Fi, open seating, and kitchen access
- A great way to experience the community without long-term commitment
- Provides flexibility for professionals with changing needs

Day Office

A private office available by the day, ideal for focused work, interviews, or client meetings without a long-term lease.

- Fully furnished, professional office ready for immediate use
- Perfect for short-term needs like interviews or consultations
- Includes access to amenities such as internet and community kitchen
- Offers privacy and professionalism on a flexible schedule

Meeting Rooms

Fully equipped, tech-ready meeting spaces available by the hour for client presentations, team collaboration, or interviews.

- Outfitted with screens, whiteboards, and conferencing tools
- Easy online booking for quick access when you need it
- Suitable for client meetings, brainstorming sessions, or interviews
- A professional environment that enhances your business image

Podcast Room

A soundproof, professional recording environment built to help creators, businesses, and entrepreneurs produce high-quality podcasts and audio content.

- Designed for clarity with professional-grade equipment
- User-friendly setup for both beginners and experienced podcasters
- Available by the hour for maximum flexibility
- Ideal for podcasting, interviews, or multimedia projects

Training Room

A modern, flexible setup designed for workshops, training sessions, or team gatherings, complete with AV capabilities and customizable layouts.

- Configurable to classroom, seminar, or collaborative styles
- Equipped with presentation and AV technology
- Spacious design accommodates groups comfortably
- Perfect for professional development and team events

Virtual Business Address

A prestigious mailing address for your business, adding credibility and privacy.

- Enhances your brand with a professional location
- Protects your privacy by separating home and business addresses
- Great for small businesses and consultants

Virtual Office Plan

Establish a **professional business presence** from anywhere with Venture X Virtual Office options. Choose from a variety of plans designed for remote professionals and growing businesses that need a credible address, mail services, and occasional access to meeting spaces.

- Professional business address with mail handling and forwarding options
- Access to on-demand access to meeting and conference rooms
- Perfect for remote teams, startups, and consultants seeking flexibility and professionalism
